

Roll Arena

New Year's Eve Party '21-'22

Dear Parents,

It has been another year and it is time to start thinking about our New Year's Eve Party. **In an effort to keep the Roll Arena a safe and fun place for everyone to skate and enjoy themselves, we are asking that anyone participating in the New Year's Eve party have the attached permission form signed and filled out.**

This permission form will turn into a permanent "Membership". This membership has no extra cost. Over the last few years we have transitioned into requiring anyone skating on a Friday evening who is under 18 years of age be registered with parental info on file, and to check-in each session. This program also provides the opportunity for rewards based on admission, and the ability to collect and save game redemption tickets on your "Membership Card".

The cost **at the door** this year will be \$15 + Skate rental if needed. Skates rent for \$2, and Roller Blades for \$4 and are on a first come first serve basis.

We ask that the parent/guardian signing brings this form to the Roll Arena in person. It may be brought any day we are open for public skate leading up until New Year's Eve.

We also would like to remind you that parents who are spectating are free of charge; you may stay as long as you like. *(Children including siblings who may be over the age of 18 are not allowed to spectate and must have skates on the entire time they are in the building)*

Should you have any questions – please do not hesitate to call us, email, or visit www.rollarena.biz/NYE for more information

We appreciate your understanding and look forward to a great New Year's Party and an even better 2022!
